

# Are Your Beaches BlueTube™ Beaches?

BlueTubes provide a bag and a reminder to make it easy for everyone to keep their shores clean. Beach goers grab a clean, used bag from the BlueTube, pick up trash, then throw it away. People add their extra bags to the BlueTube, and the cycle continues.

- Join the growing list of communities with BlueTubes on their beaches.
- Nothing to buy. Nothing to maintain.
- Sponsors pay for BlueTubes, fund research and raise awareness of plastic in the ocean.
- Beach lovers use BlueTubes and keep them stocked with bags.

**Together, we can be part of the solution.**
